MADISON COTTAGE

“Innovation is often the ability to reach into the past and bring back what is good, what is beautiful, what is useful, what is lasting.” Sister Parish. A noted fan of rag rugs – Sister Parish used them in her design of the White House as well as in her own home in Dark Harbor Maine – we can’t help but think that she would have enjoyed our new Madison Cottage Collection. Handwoven in cotton, unassuming but stylish, these rugs have an authenticity that is hard to come by.
