

AMIR HANDWOVEN SILK CASEMENT

Amir Handwoven Silk Casement is a testament to India's remarkable handloom tradition. Each step in the creation of this exquisite fabric—from the harvest and spinning of silk fibers to weaving, piece dyeing and finishing—is delicate, labor intensive and executed by hand. With its irregular slubs, rich tonal variations and luminous hammered finish, this splendid, featherlight raw silk has every hallmark of an authentic, handcrafted design and is a luxurious choice for window treatments.
